New Website and Updated Rules Coming Soon

I am excited to announce that in the coming months the Financial Services Tribunal will be launching a new website. The new website will feature a refreshed look and modern layout.

The new website will also feature updated content, including revised Rules of Practice, Practice Directives, and Information Sheets. The aim of these updates will be twofold:

1. to make the Board's resource materials clearer and easier to understand; and
2. to better reflect the current appeal management processes of the Board.

Please check back regularly for further information regarding timing of the launch of the new website. If you have any questions about the Board's Rules or other resource materials, please contact the Board's reception at (250) 387-3464.
